

PRINTABLE RULER

- 01** ▶ **PRINT**
STEP Print this page to actual size or 100% scale. Do not Fit, Shrink or Scale below 100%. For best results, Avery recommends printing with Adobe Acrobat Reader.
- 02** ▶ **CUT OUT**
STEP Using scissors cut the ruler out along the dotted line.
- 03** ▶ **MEASURE**
STEP Use the ruler to measure where your label will be applied. It can be helpful to tape the ruler in place to prevent slippage while measuring. If using wraparound labels, Avery recommends adding an extra 1/4" overlap.
- 04** ▶ **ORDER**
STEP Once you've got the size you need, go to avery.com to find the exact label you're looking for.

Please consider that these measurements are only estimates and Avery is not responsible for printing or size errors based on measurements from this ruler.
