

# Compare Blank Label Materials

Find the best blank label material to use for your project.

White Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Matte White Paper</b> 	Envelopes, file folders, corrugated boxes, paper, rigid plastics, film, glass	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>EcoFriendly Matte White Paper</b> 	Paper, cardboard, glass, some plastics, metal	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	- Indirect food contact <sup>1</sup> - FSC eco-friendly - RCA recyclable <sup>2</sup>	Laser/Inkjet
<b>Matte White Paper with SureFeed™ Technology for Laser</b> 	Envelopes, paper, corrugated boxes, file folders, cardboard, plastic, glass, metal	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser
<b>Matte White Paper with SureFeed™ Technology for Inkjet</b> 	Envelopes, paper, corrugated boxes, file folders, cardboard, plastic, glass, metal	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	Indirect food contact <sup>1</sup>	Inkjet
<b>Matte White Paper with TrueBlock® Technology</b> 	Paper, shipping envelopes, corrugated boxes, cardboard, file folders, plastic, glass, metal, painted metal	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>Removable Matte White Paper</b> 	Paper, cardboard, file folders, glass, metal, plastic	Paper	Removable	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet

## White Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Glossy White Paper</b> 	Paper, cardboard, glass, some plastic, metal	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>Durable White Film</b> 	Glass, metal, painted metal, plastic, painted wood & more	Polypropylene (PP) film	Permanent	●	With select print methods <sup>3</sup>	Cooking & essential-oils with select print methods <sup>4</sup>	●	Ballpoint pen, rollerball (extended dry time), gel (extended time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>WeatherProof™ White Film</b> 	Paper & plastic envelopes, corrugated boxes, glass, plastic & metal containers, painted metal	Polyester (PET) film	Permanent	●	●	Cooking oils	●	Ballpoint pen, rollerball (extended dry time), gel (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser
<b>UltraDuty® White Film for Laser</b> 	Drums, totes, pails, fibers, jugs, bottles, plastic, metal, painted metals, polycarbonate, glass, corrugated boxes, paper	Polyester (PET) film	Permanent	●	●	Cooking oils	●	Ballpoint pen, rollerball, gel, pencil, permanent marker	-Indirect food contact <sup>1</sup> -GHS BS5609 2/ BS5609 3 (OKI C711)	Laser
<b>UltraDuty® White Film for Inkjet</b> 	Drums, totes, pails, fibers, jugs, bottles, plastic, metal, painted metals, polycarbonate, glass, corrugated boxes, paper	Synthetic	Permanent	●	●	Cooking oils	●	Ballpoint pen, rollerball, gel, pencil, permanent marker	-Indirect food contact <sup>1</sup> -GHS BS5609 2/ BS5609 3 (OKI C711)	Inkjet
<b>Surface Safe™ White Film for Signs</b> 	Drywall, doors, glass, stainless steel, smooth surfaces	Polyester (PET) film	Removable	●	●	Cooking oils	●	Ballpoint pen, rollerball (extended dry time), gel (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet

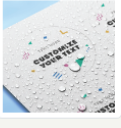

## Clear Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Glossy Clear Film</b> 	Envelopes, paper, cardboard, file folders, some plastic, glass, metal	Polyester (PET) film	Permanent	—	—	—	—	Ballpoint pen, rollerball (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>Matte Clear Film for Laser</b> 	Envelopes, corrugated boxes, file folders, some plastics, glass, metal	Polyester (PET) film	Permanent	●	—	—	●	Ballpoint pen, rollerball (extended dry time), gel (extended dry time), pencil, permanent marker (5-second dry time)	Indirect food contact <sup>1</sup>	Laser
<b>Matte Clear Film for Inkjet</b> 	Envelopes, corrugated boxes, file folders, some plastics, glass, metal	Polyester (PET) film	Permanent	—	—	—	●	Ballpoint pen, rollerball, gel, pencil, permanent marker (5-second dry time)	Indirect food contact <sup>1</sup>	Inkjet

## Waterproof Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Durable White Film</b> 	Glass, metal, painted metal, plastics, painted wood	Polypropylene (PP) film	Permanent	●	With select print methods <sup>3</sup>	Cooking & essential oils with select print methods <sup>4</sup>	●	Ballpoint pen, rollerball (extended dry time), gel (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Inkjet
<b>WeatherProof™ White Film</b> 	Paper & plastic envelopes, corrugated boxes, glass, plastic & metal containers & pails, painted metal	Polyester (PET) film	Permanent	●	●	Cooking oils	●	Ballpoint pen, rollerball (extended dry time), gel (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser
<b>UltraDuty® White Film for Laser</b> 	Drums, totes, pails, fiber, jugs, bottles, plastic, metal, painted metal, polycarbonate, glass, corrugated boxes, paper	Polyester (PET) film	Permanent	●	●	Cooking oils	●	Ballpoint pen, rollerball, gel, pencil, permanent marker	-Indirect food contact <sup>1</sup> -GHS BS5609 2/ BS5609 3 (OKI C711)	Laser

## Waterproof Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Surface Safe™ White Film for Signs</b> 	Drywall, doors, glass, stainless steel, smooth surfaces	Polyester (PET) film	Removable			Cooking oils		Ballpoint pen, rollerball (extended dry time), gel (extended dry time), pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet

## Metallic-Foil Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Matte Gold Foil Paper</b> 	Envelopes, file folders, corrugated boxes, paper, rigid plastic, film, glass, metal	Foil/Paper Laminate	Permanent	—	—	—	—	Ballpoint pen, permanent marker	Indirect food contact <sup>1</sup>	Inkjet
<b>Glossy Silver Foil Paper</b> 	Envelopes, file folders, corrugated boxes, paper, rigid plastic, film, glass, metal	Foil/Paper Laminate	Permanent	—	—	—	—	Ballpoint pen, permanent marker	Indirect food contact <sup>1</sup>	Inkjet
<b>Glossy Gold Foil Paper</b> 	Envelopes, file folders, corrugated boxes, paper, rigid plastic, film, glass, metal	Foil/Paper Laminate	Permanent	—	—	—	—	Ballpoint pen, permanent marker	Indirect food contact <sup>1</sup>	Inkjet
<b>Matte Silver Foil Paper</b> 	Envelopes, file folders, corrugated boxes, paper, rigid plastic, film, glass, metal	Foil/Paper Laminate	Permanent	—	—	—	—	Ballpoint pen, permanent marker	Indirect food contact <sup>1</sup>	Inkjet

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Neon Magenta Paper</b> 	Envelopes, file folders, corrugated boxes, papers, rigid plastic, film, glass, metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>Neon Green Paper</b> 	Envelopes, file folders, corrugated boxes, paper, rigid plastic, film, glass, metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>Neon Yellow Paper</b> 	Envelope, file folders, corrugated boxes, paper, rigid plastic, film, glass, metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	Indirect food contact <sup>1</sup>	Laser/Inkjet
<b>ASTROBRIGHTS® Cosmic Orange™ Paper</b> 	Corrugated boxes, paper, rigid plastics, film, glass, painted metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	-Acid free - Lignin free - FSC eco-friendly	Laser/Inkjet
<b>ASTROBRIGHTS® Pulsar Pink™ Paper</b> 	Corrugated boxes, paper, rigid plastic, film, glass, painted metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	-Acid free - Lignin free - FSC eco-friendly	Laser/Inkjet
<b>ASTROBRIGHTS® Lunar Blue™ Paper</b> 	Corrugated boxes, paper, rigid plastic, film, glass, painted metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	-Acid free - Lignin free - FSC eco-friendly	Laser/Inkjet
<b>ASTROBRIGHTS® Solar Yellow™ Paper</b> 	Corrugated boxes, paper, rigid plastic, film, glass, painted metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	-Acid free - Lignin free - FSC eco-friendly	Laser/Inkjet

## Color Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>ASTROBRIGHTS® Terra Green™ Paper</b> 	Corrugated boxes, paper, rigid plastic, film, glass, painted metal	Paper	Permanent	—	—	—	—	Extended dry time with ballpoint pens	- Acid free - Lignin free - FSC eco-friendly	Laser/Inkjet

## Kraft Brown Labels

	Recommended Surfaces	Facestock Type	Adhesive Type	Water Resistance	Waterproof	Oil Resistance	Tear Resistance	Compatible Writing Tools	Material Certifications	Printer Compatibility
<b>Kraft Brown Paper</b> 	Paper, envelopes, cardboard & corrugated boxes, plastic, glass, metal	Paper	Permanent	—	—	—	—	Ballpoint pen, rollerball, gel, pencil, permanent marker	Indirect food contact <sup>1</sup>	Laser/Inkjet

<sup>1</sup> (FDA 21 CFR 175.105)

<sup>2</sup> Recycling Compatible Adhesives (RCA) EO 13148, Sec 702

<sup>3</sup> Waterproof with laser printers and pigment-based inkjet printers

<sup>4</sup> Oil-resistant with laser printers and pigment-based inkjet printers
